1. Attached, in duplicate, is Form PTO--1050, with at least one copy being suitable for printing.
2. The exact page and line number where the errors are shown correctly in the application file are:

[30] Foreign Application Priority Data

change "Jun. 25, 1997 [JP] Japan ....9-169007" to --Jun. 24, 1997 [JP]

MAR 24 2003

It is noted the priority information appears in the original specification on page 1, in the paragraph after "Incorporation By Reference". Further, on December 3, 1998, the Applicants filed a Request To Transfer Materials to ensure the documents submitted to perfect the priority claim were placed in the correct file.
